

AKO Registration Procedures

DoD military and government civilians who have been issued CACs are now able to self-register for an AKO/DKO Joint User Access Account (JUA).

To register for AKO/DKO:

1. Go to <https://www.us.army.mil>
2. Click on 'Register with a CAC'
3. When prompted, enter your PIN or select your certificate.

Note: You will need to have your CAC inserted into a CAC reader to register for an account. Also, you will be required to enter your SSN and date of birth (DOB) to validate your user information. If this information is not provided, AKO/DKO and Defense Manpower Data Center (DMDC) will not be able to validate credentials; therefore no account will be issued. DMDC is the authoritative database for non Army DoD military and government civilians. A working agreement with DMDC allows AKO/DKO to positively validate users before they are given a new DKO account.

4. Enter your Social Security Number, or Foreign Identification Number. DO NOT register for a Utility Account until you click on the link titled 'what's this?' to determine if you need a utility account.
5. Enter your Date of Birth
6. Enter your User Information, if needed
7. Enter an External Email Address
8. Enter Organization Information
9. Create and Confirm your Password
10. Complete your Password Questions - these are used to verify your identity if you lose or forget your password
11. Account Registration Complete - you should see all your account information.
12. DoD policy dictates that usernames must follow the format: full first name.middle initial.last name, with trailing numbers used to create unique ID's. An example is john.b.smith13.
